Concurrent Technologies Plc

Pre Close Trading Update

Concurrent Technologies Plc, (the "Company") a world leading specialist in the design and manufacture of high-end embedded computer products, for critical applications in the defence, aerospace, transportation, telecommunications, scientific and industrial markets, announces a trading update for the year ending 31 December 2014.

The Company anticipates that results for the full year 2014 will be broadly in line with market expectations.

Concurrent Technologies Plc also expects to continue the practice of paying a second interim dividend to shareholders and to pay this before 6 April 2015. In this event, there will be no final dividend in respect of 2014.
