

19 May 2016

Concurrent Technologies Plc
(the "Company")

AGM Statement

At today's Annual General Meeting of Concurrent Technologies Plc (AIM: CNC), a world leading specialist in the design and manufacture of high-end embedded computer products for critical applications in the defence, aerospace, telecommunications, transportation, scientific and industrial markets, Michael Collins, Chairman, will make the following statement:

"I am pleased to report that the Company's strong trading performance in 2015 has continued into 2016. Our cash position remains strong following increased dividend payments in respect of 2015 and the Board is of the view that the outlook for this year as a whole remains good."
