

21 December 2017

Concurrent Technologies Plc
(the 'Company')

Pre-Close Trading Update

Concurrent Technologies Plc (AIM: CNC), a world leading specialist in the design and manufacture of high-end embedded computer products for critical applications in the defence, aerospace, telecommunications, transportation, scientific and industrial markets, announces a trading update for the year ending 31 December 2017.

Based on its unaudited management accounts for the year to date, the Company confirms that it expects its trading for 2017 to be broadly in line with market expectations.

Concurrent Technologies Plc also expects to continue the practice of paying a further interim dividend to shareholders and to pay this before 6 April 2018.
