

21 January 2020

**Concurrent Technologies Plc
(the 'Company')**

Post-Close Trading Update

Concurrent Technologies Plc (AIM: CNC), a world leading specialist in the design and manufacture of high-end embedded computer products for critical applications in the defence, aerospace, telecommunications, transportation, scientific and industrial markets, announces a trading update for the year ending 31 December 2019.

Based on its unaudited management accounts for 2019, the Company confirms that it expects to report revenues slightly ahead of expectations, with underlying profitability in line with market forecasts.

Concurrent Technologies Plc also expects to continue the practice of paying a further interim dividend to shareholders and to pay this on or before 6th April 2020.
