Concurrent Technologies Plc
('Concurrent Technologies' or the 'Company')

Director Appointment

Concurrent Technologies Plc (AIM: CNC), a world leading specialist in the design and manufacture of high performance embedded computer boards for critical applications, is pleased to announce the appointment to the Board of Brent Salgat as an executive director.

Brent has extensive technical, sales, and management experience gained over the last 32 years. During his career he has worked for leading embedded computing companies engaging with customers on their applications in the Defence, Telecommunications, Transportation, Medical and Industrial markets. He holds a Bachelor of Science in Electrical Engineering from Michigan Technological University.

Brent has worked for the Company's US subsidiary, Concurrent Technologies Inc. for the past 14 years. He is currently President of the subsidiary where he is responsible for managing, developing and growing all aspects of the business in North America. During Brent's time at Concurrent Technologies Inc. it has grown to be the single largest contributor to the Group's sales.

Jane Annear, Managing Director of Concurrent Technologies, commented:

"We are delighted to welcome Brent to the Board of Concurrent Technologies. His appointment recognises the importance of the North America market to the Company, while enabling the wider Group to benefit from his insight and experience."
