Concurrent Technologies Plc

Board Changes

Concurrent Technologies Plc (AIM: CNC), a world leading specialist in the design and manufacture of high-performance embedded computer boards for critical applications, announces that David Evans-Hughes, Engineering Director, has given notice of his resignation from the Board with immediate effect.

Mark Cubitt, Non-executive Chairman of Concurrent Technologies, commented:

"Dave has been a driving force for innovation and design within the Company for over 30 years. His analytical mind, creative designs and drive to deliver consistent solutions for our customers have been instrumental in the success of the company and we wish him all the best in a well-earned retirement."

Note to Editors:

About Concurrent Technologies Plc

Concurrent Technologies Plc develops and manufactures high-end embedded computer products for use in a wide range of high-

performance, long-life cycle applications within the telecommunications, defence, security, telemetry, scientific and aerospace markets, including applications within extremely harsh environments. The processor products feature Intel® processors, including the latest 11th generation embedded Intel® Core™, Intel® Xeon® and Intel Atom® processors. The products are designed to be compliant with industry specifications and support many of today's leading embedded Operating Systems. The products are sold world-wide.
